

Keith Vickerman

Co-opted Governor

(Formerly an LEA Governor)

This page last updated on 08-11-16

I have been a Governor of Immanuel College since 2002.

Now retired, I spent my whole career as a Tax inspector. As a young man I was, for nine years, a member of Shipley Urban District Council where I was heavily involved in the formation of comprehensive schools, of which Immanuel College is an outstanding example.
