

Larisa Barker

Parent Governor

This page last updated on 14-11-2016

I joined the Governing Body in January 2016.

As a local resident of Thackley and a proud parent of two children who attend Immanuel College, I am delighted to be a Parent Governor. It's important for me to ensure all pupils have the best experiences possible at school, whilst continuously learning to their full potential and preparing for the future.

My background is in retail and I currently work in marketing. As a governor, you will have my full commitment and support between parents, pupils and the school.
