

Jane Tiller

Staff Governor
(Headteacher)

This page last updated on 23-11-13

I have been Headteacher and ex-officio staff governor since September 2005.

As governor I am part of a team that helps to shape the strategic direction of the school.

The governors play a vital part in a Church School especially in developing and supporting the improvement of the college and its ethos.

We remember that all our students are God's children and are firmly at the centre of all that we do.
