SIAMS Monitoring  
Governor

*This page last updated on 16/09/2016*

**I was an associate governor for a number of years, because of my role as school chaplain. In 2012, I was appointed a foundation governor and I have just been reappointed as a SIAMS Monitoring governor.**

**As the school chaplain, I have the following duties in college: Christian Ethos, Community Links, Headteacher Support, Fire & Safety, Designated Safeguarding Lead, Diocesan Links, Building and Premises, Health & Safety, Assemblies/Collective Worship, Staff & Student Welfare.**

**I serve on several committees and working parties – those that focus on my college responsibilities.**
