(Formerly a Foundation Parent Governor)

**I am one of the newest additions to the Governing body having been appointed as a Foundation Governor (now called SIAMS Monitoring Governor) in March 2016.**

**I have been a qualified teacher since 1995, am experienced across the primary age-range, and have worked at two of Immanuel's feeder schools.**

**I live in Idle with my family and my husband, who is one of the vicars at Holy Trinity Church. I am a Licensed Lay Minister and so I am keen to support the Christian Values and Ethos of Immanuel College.**

**In addition, I have two daughters who transferred to Immanuel after we moved to BD10 in the summer of 2015.**
