Dear Parent/Carer

**Re: Year 7 BDAT Event**

On Monday 2<sup>nd</sup> and Tuesday 3<sup>rd</sup> July, Year 7 students from the four BDAT high schools have a unique opportunity to take part in the **“Broadening Horizons and Employability”** event which is being coordinated and hosted by Bradford College. Half the year group will go on each day, **F band on Monday 2<sup>nd</sup> July** and **J band on Tuesday 3<sup>rd</sup> July**, and take part in workshops that will focus on:

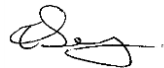

- Raising Aspirations
- Health & Caring
- Engineering
- Enterprise

The event will take place at the Advanced Technology Centre on the main college campus and the students from the BDAT schools will have sole use of the building. Coaches will drop students off and pick them up from the secure college car park. They will be fully supervised by school staff and the activities will be organised and led by the college. Students will have no need to, and indeed will not be allowed to, leave the building during the day.

The event will take place over a normal school day with students setting off at 9.00am and arriving back at Immanuel for the end of the school day. Students will be expected to wear their full school uniform and, as always, mobile phones should not be taken (if they are seen they will be taken to be looked after by staff for the remainder of the day). Lunch will be provided in the Advanced Technology Centre and students are advised to bring water bottles that can be refilled at fountains in the building.

If students are particularly interested, they will also have the opportunity to tour specialist vocational areas during the day. Further details of these opportunities will be provided to students nearer the time of the event. I hope you will agree that this is an excellent opportunity for students; please complete the reply slip below and return it to your child’s form tutor or Head of House. If you have any questions or concerns please contact me at school.

Yours Sincerely

E Sey  
Assistant Headteacher
