Dear colleague,

Thank you for taking an interest in joining my staff team here at Immanuel College. We are well on our way to becoming an outstanding learning community and this is an exciting time to join us.

We are a thriving and successful 11-18 Church of England Secondary Science College serving the communities on the northern border between Leeds and Bradford.

Our ethos is very important to us as it means that our students will develop within a caring Christian environment. Immanuel means 'God with us' and sums up what we believe. Our last faith inspection confirms we are an **Outstanding** Church school that is outstanding at meeting the needs of all learners. In 2016 we joined Bradford Diocesan Academy Trust this has offered a wide range of opportunities for colleagues to work with, and to support, colleagues across the academy chain

Our goal at Immanuel College is to become an outstanding school that delivers educational excellence. The community we serve faces levels of socio-economic deprivation and the achievement of their children is a vital basis for their future life chances. As Headteacher I am fortunate to work with a talented staff team who demand the highest standards of teaching and learning and deliver this with commitment and enthusiasm. We need staff with energy and commitment who recognise the potential of our students.

In 2019, Ofsted judged us to be a 'good' school, which has *'established strong and determined middle and senior leadership teams, who are ambitious for the school's future and have the capacity to effect the rapid changes and actions the school needs to improve towards becoming outstanding.'* Our students make excellent progress and our GCSE and A level results are good with outstanding results in many subjects. We have a thriving and inclusive Post 16 and are proud of the successes of all our students, many of whom move onto higher education, including Russell group universities.

We offer a comprehensive and personalised CPD programme consisting of internal and external courses and training, which are intended to develop teacher expertise. We place great emphasis on common goals and teamwork, and as a school we are consistently looking for ways to further 'raise the bar' both for our students and staff.

If you share our enthusiasm for learning and would like to visit us at our best then please get in touch.

I look forward to meeting you, and reading your application.

With all good wishes,

Jane Tiller, Headteacher

MFL Department

The MFL department at Immanuel College has a warm and welcoming team of four specialists. The department continues to promote a love of learning foreign languages at our school, whilst inspiring our students to achieve their full potential. Spanish is rapidly growing at Immanuel College.

Having been introduced to the school in 2015, Spanish is being taught to half of the KS3 cohort, with the intent of expanding to KS4 course for the next academic year. GCSE results are rapidly improving and the department offers two very popular trips every year – one for KS3 and one for KS4.

About BDAT

Immanuel College is an Academy within Bradford Diocesan Academies Trust. If you are successful in being appointed, the Trust will be your employer.

General Information and Background

Bradford Diocesan Academies Trust (BDAT) is a Multi- Academy Trust (MAT) supporting a number of primary and secondary academies in Bradford. BDAT is the only Church of England MAT operating in Bradford, as part of the Diocese of Leeds.

BDAT is a charity, governed by a board of trustees who are responsible for, and oversee, the management of the company. The Memorandum and Articles are available on the Trust's website at www.bdat-academies.org.

Our mission statement

"The Trust's mission is to provide an education of the highest quality within the context of Christian belief and practice." We believe every child only has one chance at a good education.

In practice, as a Trust, we seek to work with and alongside the academies in our Trust to provide a good quality of education to all children in our academies. The Trust does this through operating a light touch support role for academies at times of challenge and by establishing collaborative structures and processes to enable our academies to work together and share good practices. As our family of academies continues to grow, we are constantly looking at how we can continue to improve to establish effective and efficient ways of partnership working.

Our growth

As of November 2018, the Trust has Academy orders to support 17 Church and non-Church academies across Bradford. This includes 4 secondary academies and 13 primary academies. We work with schools of all different contexts and backgrounds including good and outstanding schools and we support schools in special measures. We recognise that each of our schools is unique and value their differences and the communities they represent. As a MAT we have grown quite quickly in recent years. 2018-19 is therefore a year of consolidation as our schools settle and become secure within the Trust and continue to get to know each other within the BDAT family.

Our Christian ethos

BDAT is a proudly Christian organisation committed to providing high-quality education for all within an ethos which encourages academic, vocational, mental, physical, and spiritual opportunities and development for each member of its academies. Whilst robust Christian principles underpin the work of the Academy, everyone is encouraged to explore their own spirituality and to recognise and understand that of others. It is for this reason that we choose to support and sponsor Non-Church of England Academies, as well as those within the faith.
