

The Immanuel Five Day Challenge!

Choose one (or more!) of the following options and get creative.

The Creative Corner

Can you redesign the Immanuel College Dove using objects and materials found around the home? You could start with bottle tops, magazines, sweet wrappers, buttons, leaves, twigs ...be creative! Print off a template of the Immanuel College Dove

or draw the shape of the bird from the front of your planner or blazer.

The Immanuel Cook Book

Calling bake-off contestants of the future or even the next Mary Berry, we want to see the skills you have perfected over the last 2 months. Bake your favourite cake, pastry, loaf or pie and send us photograph, along with the recipe for others to test and try.

Sports social(distancing)!

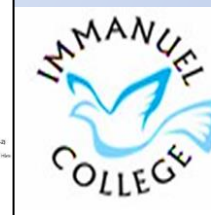

Many of us are missing our sports at the moment. Your challenge is to reinvent a sport or come up with something completely brand new! We need a sport that can be played, whilst maintaining social distancing guidelines. Your sport will need a name with write up of the rules and equipment needed.

You could include pictures or photos of a trial too.

An Immanuel House prayer

An opportunity to contribute to the words that we will use in collective worship and private prayer. For ideas, inspiration or just to help you get started, see the additional sheet from Mr Gomez.

The deadline for all entries is Friday 12th June at 2pm. Send your creation as a photo or an attachment, with your name and tutor group to your house competition email
